[PUBLIC LAW 674—77TH CONGRESS]

[CHAPTER 516—2D SESSION]

[H. R. 6709]

AN ACT

Making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1943, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture for the fiscal year ending June 30, 1943, namely:

DEPARTMENT OF AGRICULTURE

OFFICE OF THE SECRETARY

SALARIES

For the Secretary, Under Secretary, and Assistant Secretary of Agriculture, and for other personal services in the Office of the Secretary in the District of Columbia, and elsewhere, \$618,509, together with such amounts from other appropriations or authorizations as are provided in the schedules in the Budget for the fiscal year 1943 for such services, which several amounts or portions thereof, as may be determined by the Secretary, not exceeding a total of \$1,000,488, shall be transferred to and made a part of this appropriation; and there may be expended for personal services in the District of Columbia in said Office of the Secretary not to exceed the total amount provided in the Budget schedules for such purpose under this appropriation: *Provided, however,* That if the total amounts of such appropriations or authorizations for the fiscal year 1943 shall at any time exceed or fall below the amounts estimated, respectively, therefor in the Budget for 1943, the amounts transferred or to be transferred therefrom to this appropriation and the amount which may be expended for personal services in the District of Columbia shall be increased or decreased in such amounts as the Director of the Bureau of the Budget, after a hearing thereon with representatives of the Department, shall determine are appropriate to the requirements as changed by such reductions or increases in such appropriations or authorizations: *Provided further,* That the Secretary of Agriculture is authorized to contract for stenographic reporting services, and the appropriations made in this Act shall be available for such purposes: *Provided further,* That the Secretary of Agriculture is authorized to expend from appropriations available for the purchase of lands not to exceed \$1 for each option to purchase any particular tract or tracts of land: *Provided further,* That not to exceed \$25,000 of the appropriations available for

salaries and expenses of officers and employees of the Department of Agriculture permanently stationed in foreign countries may be used for payment of allowances for living quarters, including heat, fuel, and light, as authorized by the Act approved June 26, 1930 (5 U. S. C. 118a): *Provided further*, That with the approval of the Secretary of Agriculture, employees of the Department of Agriculture stationed abroad may enter into leases for official quarters, for periods not exceeding one year, and may pay rent, telephone, subscriptions to publications, and other charges incident to the conduct of their offices and the discharge of their duties, in advance, in any foreign country where custom or practice requires payment in advance: *Provided further*, That no part of the funds appropriated by this Act shall be used for the payment of any officer or employee of the Department of Agriculture who, as such officer or employee, or on behalf of the Department or any division, commission, or bureau thereof, issues, or causes to be issued, any prediction, oral or written, or forecast, except as to damage threatened or caused by insects and pests, with respect to future prices of cotton or the trend of same: *Provided further*, That no part of the funds appropriated by this Act shall be used for laboratory investigations to determine the possibly harmful effects on human beings of spray insecticides on fruits and vegetables: *Provided further*, That the Secretary of Agriculture is authorized to make microfilm or other photographic reproductions of books and other library materials in the Department of Agriculture and sell such reproductions at such prices (not less than estimated cost of furnishing same) as he may determine, the money received from such sales to be deposited in the Treasury to the credit of the appropriation charged with the cost of making such reproductions.

MISCELLANEOUS EXPENSES, DEPARTMENT OF AGRICULTURE

For stationery, supplies, materials, and equipment, freight, express, and drayage charges, advertising, communication service, postage, washing towels, repairs, and alterations; for the maintenance, repair, and operation of one motorcycle and not to exceed three motor-propelled passenger-carrying vehicles (including one for the Secretary of Agriculture, one for general utility needs of the entire Department, and one for the Forest Service) and purchase of one motor-propelled passenger-carrying vehicle at not to exceed \$1,500, including the exchange value of one such vehicle, for official purposes only; for official travel expenses, including examination of estimates for appropriations in the field for any bureau, office, or service of the Department; and for other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the Department, which are authorized by such officer as the Secretary may designate, \$98,341, together with such amounts from other appropriations or authorizations as are provided in the schedules in the Budget for the fiscal year 1943 for such expenses, which several amounts or portions thereof, as may be determined by the Secretary, not exceeding a total of \$131,605, shall be transferred to and made a part of this appropriation: *Provided, however*, That if the total amounts of such appropriations or authorizations for the fiscal year

1943 shall at any time exceed or fall below the amounts estimated, respectively, therefor in the Budget for 1943, the amounts transferred or to be transferred therefrom to this appropriation shall be increased or decreased in such amounts as the Director of the Bureau of the Budget, after a hearing thereon with representatives of the Department, shall determine are appropriate to the requirements as changed by such reductions or increases in such appropriations or authorizations: *Provided further*, That this appropriation shall be available for the payment of salaries of employees engaged in the maintenance, repair, and operation of motor-transport vehicles, and that this appropriation shall be reimbursed from the appropriation made for any bureau or office for which such service is performed, in accordance with the provisions of the Act of May 11, 1922 (5 U. S. C. 543): *Provided further*, That the Secretary of Agriculture, during the fiscal year for which this appropriation is made, may maintain stocks of stationery, supplies, equipment, and miscellaneous materials sufficient to meet, in whole or in part, requirements of the bureaus and offices of the Department in the city of Washington and elsewhere, but not to exceed in the aggregate \$200,000 in value at the close of the fiscal year, and the appropriations of such bureaus, offices, and agencies available for the purchase of stationery, supplies, equipment, and miscellaneous materials shall be available to reimburse the appropriation for miscellaneous expenses current at the time supplies are allotted, assigned, or issued, or when payment is received; for transfer for the purchase of inventory; and for transfer pursuant to the provisions of section 601 of the Act approved June 30, 1932 (31 U. S. C. 686): *Provided further*, That the appropriations made hereunder shall be available for the payment of salaries and expenses for purchasing, storing, handling, packing, or shipping supplies and blank forms, and there shall be charged proportionately as a part of the cost of supplies issued an amount to cover such salaries and expenses, and in the case of blank forms and supplies not purchased from this appropriation an amount to cover such salaries and expenses shall be charged proportionately to the proper appropriation: *Provided further*, That the facilities of the central storehouse of the Department shall to the fullest extent practicable be used to make unnecessary the maintenance of separate bureau storehouse activities in the Department: *Provided further*, That a separate schedule of expenditures, transfers of funds, or other transactions hereunder shall be included in the annual Budget: *Provided further*, That, except to provide materials required in or incident to research or experimental work where no suitable domestic product is available, no part of the funds appropriated by this Act shall be expended in the purchase of twine manufactured from commodities or materials produced outside of the United States.

Total, Office of the Secretary, \$716,850.

OFFICE OF THE SOLICITOR

For necessary expenses for the Office of Solicitor, including salary of the Solicitor at \$9,000 per annum, and including personal services in the District of Columbia and elsewhere, purchase of lawbooks, books of reference, and periodicals, and payment of fees or dues for

the use of law libraries by attorneys in the field service, \$210,000, together with such amounts from other appropriations or authorizations as are provided in the schedules in the Budget for the fiscal year 1943 for such expenses, which several amounts or portions thereof, as may be determined by the Secretary, not exceeding a total of \$1,937,749, shall be transferred to and made a part of this appropriation; and there may be expended for personal services in the District of Columbia not to exceed the total amount set up in the Budget schedules for such purpose under this appropriation: *Provided, however,* That if the total amounts of such appropriations or authorizations for the fiscal year 1943 shall at any time exceed or fall below the amounts estimated, respectively, therefor in the Budget for 1943, the amounts transferred or to be transferred therefrom to this appropriation and the amount which may be expended for personal services in the District of Columbia shall be increased or decreased in such amounts as the Director of the Bureau of the Budget, after a hearing thereon with representatives of the Department, shall determine are appropriate to the requirements as changed by such reductions or increases in such appropriations or authorizations.

OFFICE OF INFORMATION

SALARIES AND EXPENSES

For necessary expenses in connection with the publication, indexing, illustration, and distribution of bulletins, documents, and reports, the preparation, distribution, and display of agricultural motion and sound pictures, and exhibits, and the coordination of informational work in the Department, \$400,144, together with such amounts from other appropriations or authorizations as are provided in the schedules in the Budget for the fiscal year 1943 for such expenses, which several amounts or portions thereof, as may be determined by the Secretary, not exceeding a total of \$189,691, shall be transferred to and made a part of this appropriation, of which total appropriation amounts not exceeding those specified may be used for the purposes enumerated as follows: For personal services in the District of Columbia, \$467,291; for preparation and display of exhibits including cooperation with other bureaus and offices of the Department and with Federal, State, County, Municipal, and other agencies, and State, interstate, international, and other fairs or events held within the United States, \$60,832; for the preparation, distribution, and display of motion and sound pictures, including cooperation with Federal, State, County, Municipal, and other agencies, \$68,905: *Provided, however,* That if the total amounts of the appropriations or authorizations for the fiscal year 1943 from which transfers to this appropriation are herein authorized shall at any time exceed or fall below the amounts estimated, respectively, therefor in the Budget for 1943, the amounts transferred or to be transferred therefrom to this appropriation and the amount which may be expended for personal services in the District of Columbia shall be increased or decreased in such amounts as the Director of the Bureau of the Budget, after a hearing thereon with representatives of the Department, shall determine are appropriate to the requirements as changed by such reduc-

tions or increases in such appropriations or authorizations: *Provided further*, That when and to the extent that in the judgment of the Secretary of Agriculture agricultural exhibits and motion and sound pictures relating to the authorized programs of the various agencies of the Department can be more advantageously prepared, displayed, or distributed by the Office of Information, as the central agency of the Department therefor, additional funds not exceeding \$300,000 for these purposes may be transferred to and made a part of this appropriation, from the funds applicable, and shall be available for the objects specified herein, including personal services in the District of Columbia: *Provided further*, That in the preparation of motion pictures or exhibits by the Department, not exceeding a total of \$10,000 may be used for the temporary employment, by contract or otherwise, of specialists, technicians, and experts, without regard to the Classification Act of 1923, as amended: *Provided further*, That in the preparation and distribution of duplicated and photographic material for the Department, the appropriation "Salaries and expenses, Office of Information", current at the time such services are rendered or when payment therefor is received, may be reimbursed (by advance credits or reimbursements based on estimated or actual charges) from the applicable appropriations, to cover charges for personal services, materials, equipment (including depreciation, maintenance, and repair) and other necessary expenses.

PRINTING AND BINDING

For all printing and binding for the Department of Agriculture, including all of its bureaus, offices, institutions, and services located in Washington, District of Columbia, and elsewhere, except as otherwise in this Act provided, \$1,300,000, including the purchase of reprints of scientific and technical articles published in periodicals and journals; the Annual Report of the Secretary of Agriculture, as required by the Acts of January 12, 1895 (44 U. S. C. 111, 212-220, 222, 241, 244), March 4, 1915 (7 U. S. C. 418), and June 20, 1936 (5 U. S. C. 108), and in pursuance of the Act approved March 30, 1906 (44 U. S. C. 214, 224), also including not to exceed \$250,000 for farmers' bulletins, which shall be adapted to the interests of the people of the different sections of the country, an equal proportion of four-fifths of which shall be delivered to or sent out under the addressed franks furnished by the Senators, Representatives, and Delegates in Congress, as they shall direct, but not including work done at the field printing plants of the Forest Service authorized by the Joint Committee on Printing, in accordance with the Act approved March 1, 1919 (44 U. S. C. 111, 220): *Provided*, That the Secretary of Agriculture may transfer to this appropriation from the appropriation made for "Conservation and Use of Agricultural Land Resources" such sums as may be necessary for printing and binding in connection with marketing quotas under the Agricultural Adjustment Act of 1938, and from funds appropriated to carry into effect the terms of section 32 of the Act of August 24, 1935 (7 U. S. C. 612c), as amended, such sums as may be necessary for printing and binding in connection with the activities under said section 32, and from funds appropriated for parity payments under section 303 of

the Agricultural Adjustment Act of 1938, such sums as may be necessary for printing and binding in connection with such payments: *Provided further*, That the total amount that may be transferred under the authority granted in the preceding proviso shall not exceed \$550,000.

Total, Office of Information, \$1,700,144.

Grand total, Office of the Secretary of Agriculture, \$26,624,730.

BUREAU OF ANIMAL INDUSTRY

SALARIES AND EXPENSES

For the employment of persons and means in the District of Columbia and elsewhere for carrying out the provisions of the Act, as amended, establishing a Bureau of Animal Industry, and related Acts; and the Secretary of Agriculture, upon application of any exporter, importer, packer, or owner of, or the agent thereof, or dealer in, livestock, hides, skins, meat, or other animal products, may in his discretion, make inspections and examinations at places other than the headquarters of inspectors for the convenience of said applicants and charge the applicants for the expenses of travel and subsistence incurred for such inspections and examinations, the funds derived from such charges to be deposited in the Treasury of the United States to the credit of the appropriation from which the expenses are paid; collect and disseminate information concerning livestock and animal products; prepare and disseminate reports on animal industry; purchase in the open market samples of all tuberculin, serums, antitoxins, or analogous products, of foreign or domestic manufacture, which are sold in the United States, for the detection, prevention, treatment, or cure of diseases of domestic animals, test the same, and disseminate the results of said tests in such manner as he may deem best, and purchase and destroy diseased or exposed animals, including poultry, or quarantine the same whenever in his judgment essential to prevent the spread of pleuropneumonia, tuberculosis, contagious poultry diseases, or other diseases of animals from one State to another, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$172,000.

Animal husbandry: For investigations and experiments in animal husbandry; for experiments in animal feeding and breeding, including cooperation with the State agricultural experiment stations and other agencies, including repairs and additions to and erection of buildings absolutely necessary to carry on the experiments, \$811,000, including \$12,500 for livestock experiments and demonstrations at Big Spring or elsewhere in Texas, to be available only when the State of Texas, or other cooperating agency in Texas, shall have appropriated an equal amount or, in the opinion of the Secretary of Agriculture, shall have furnished its equivalent in value in cooperation for the

same purpose during the fiscal year for which appropriations are herein made: *Provided*, That of the sum thus appropriated \$242,580 may be used for experiments in poultry feeding and breeding, of which amount \$45,000 may be used in cooperation with State authorities in the administration of regulations for the improvement of poultry, poultry products, and hatcheries.

Diseases of animals: For scientific investigations of diseases of animals, including the construction of necessary buildings at Beltsville, Maryland, and necessary expenses for investigations of tuberculin, serums, antitoxins, and analogous products, \$715,000: *Provided*, That of said sum \$265,182 may be used for researches concerning the cause, modes of spread, and methods of treatment and prevention of the disease of contagious abortion of animals: *Provided further*, That fees shall be charged for all diagnoses in connection with rabies, except those performed for agencies of the United States Government, in such amounts as the Secretary of Agriculture shall prescribe, and such fees shall be covered into the Treasury as miscellaneous receipts.

Eradicating tuberculosis and Bang's disease: For the control and eradication of the diseases of tuberculosis and paratuberculosis of animals, avian tuberculosis, and Bang's disease of cattle, \$3,575,669, together with \$1,450,000 of the unobligated balance of the appropriation made under this head for the fiscal year 1940, and \$1,013,331 of the unexpended balances of appropriations heretofore made for eradication of foot-and-mouth and other contagious diseases of animals, in all, including reappropriations, \$6,039,000: *Provided*, That in carrying out the purpose of this appropriation, if in the opinion of the Secretary of Agriculture it shall be necessary to condemn and destroy tuberculous or paratuberculous cattle, or cattle reacting to the test for Bang's disease, and if such animals have been destroyed, condemned, or die after condemnation, he may, in his discretion, and in accordance with such rules and regulations as he may prescribe, expend in the city of Washington or elsewhere such sums as he shall determine to be necessary for the payment of indemnities to owners of such animals but, except as hereinafter provided, no part of the money hereby appropriated shall be used in compensating owners of such cattle except in cooperation with and supplementary to payments to be made by State, Territory, county, or municipality where condemnation of such cattle shall take place, nor shall any payment be made hereunder as compensation for or on account of any such animal if at the time of inspection or test, or at the time of condemnation thereof, it shall belong to or be upon the premises of any person, firm, or corporation to which it has been sold, shipped, or delivered for the purpose of being slaughtered: *Provided further*, That out of the money hereby appropriated no payment as compensation for any cattle condemned for slaughter shall exceed one-third of the difference between the appraised value of such cattle and the value of the salvage thereof; that no payment hereunder shall exceed the amount paid or to be paid by the State, Territory, county, and municipality where the animal shall be condemned; and that in no case shall any payment hereunder be more than \$25 for any grade animal or more than \$50 for any purebred animal.

Eradicating cattle ticks: For the eradication of southern cattle ticks, \$276,000: *Provided*, That, except upon the written order of the

Secretary of Agriculture, no part of this appropriation shall be used for the purchase of animals or in the purchase of materials for or in the construction of dipping vats upon land not owned solely by the United States, except at fairs or expositions where the Department of Agriculture makes exhibits or demonstrations; nor shall any part of this appropriation be used in the purchase of materials or mixtures for use in dipping vats except in experimental or demonstration work carried on by the officials or agents of the Bureau of Animal Industry: *Provided further*, That not to exceed \$5,000 of the amount herein made available may be used to purchase and supply beef to the Seminole Indians of the Big Cypress Swamp area, Hendry County, Florida, during the time that deer infested with cattle ticks are being removed from said area and until such area is restocked with deer: *Provided further*, That the Secretary of Agriculture, his agent or agents, in cooperation with the duly constituted authorities of the State of Florida, is authorized to conduct tick eradication on the Seminole Indian Reservation in the State of Florida under the provisions of the laws of that State.

Hog-cholera control: For the control and eradication of hog cholera and related swine diseases, by such means as may be necessary, including demonstrations, the formation of organizations, and other methods, either independently or in cooperation with farmers' associations, State or county authorities, \$102,000.

Inspection and quarantine: For inspection and quarantine work, including the eradication of scabies in sheep and cattle and dourine in horses, the inspection of southern cattle, the supervision of the transportation of livestock, and the inspection of vessels, the execution of the twenty-eight-hour law, the inspection and quarantine of imported animals, including the establishment and maintenance of quarantine stations and repairs, alterations, improvements, or additions to buildings thereon: the inspection work relative to the existence of contagious diseases, and the mallein testing of animals, \$666,000.

Meat inspection: For expenses in carrying out the provisions of the Meat Inspection Act of June 30, 1906, as amended by the Act of March 4, 1907, as extended to equine meat by the Act of July 24, 1919 (21 U. S. C. 71-96), as authorized by section 2 (a) of the Act of June 26, 1934 (31 U. S. C. 725a), and as further amended by the Act of June 29, 1938 (21 U. S. C. 91), including the purchase of printed tags, labels, stamps, and certificates without regard to existing laws applicable to public printing, \$6,147,000.

Virus Serum Toxin Act: For carrying out the provisions of the Act approved March 4, 1913 (21 U. S. C. 151-158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous product manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals, \$223,718.

Marketing agreements with respect to hog cholera virus and serum: The sum of \$30,708 of the appropriation made by section 12 (a) of the Agricultural Adjustment Act, approved May 12, 1933, is hereby made available during the fiscal year for which appropriations are herein made to carry into effect sections 56 to 60, inclusive, of the Act approved August 24, 1935 (7 U. S. C. 551-555), entitled "An

Act to amend the Agricultural Adjustment Act, and for other purposes", including the employment of persons and means in the District of Columbia and elsewhere.

In all, salaries and expenses, Bureau of Animal Industry, \$12,688,387.

ERADICATION OF FOOT-AND-MOUTH AND OTHER CONTAGIOUS DISEASES OF ANIMALS

In case of an emergency arising out of the existence of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious diseases of animals, which, in the opinion of the Secretary of Agriculture, threatens the livestock industry of the country, he may expend in the city of Washington or elsewhere any unexpended balances of appropriations heretofore made for this purpose, not to exceed \$305,000, in the arrest and eradication of any such disease, including the payment of claims growing out of past and future purchases and destruction, in cooperation with the States, of animals affected by or exposed to, or of materials contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations: *Provided*, That the payment for animals hereafter purchased may be made on appraisement based on the meat, dairy, or breeding value, but in case of appraisement based on breeding value no appraisement of any animal shall exceed three times its meat or dairy value, and, except in case of an extraordinary emergency, to be determined by the Secretary of Agriculture, the payment by the United States Government for any animals shall not exceed one-half of any such appraisements: *Provided further*, That the sum of \$5,000 of the unexpended balance of the appropriation of \$3,500,000 contained in the Second Deficiency Appropriation Act, fiscal year 1924, approved December 5, 1924, for the eradication of the foot-and-mouth disease and other contagious or infectious diseases of animals, is hereby made available during the fiscal year for which appropriations are herein made to enable the Secretary of Agriculture to control and eradicate the European fowl pest and similar diseases in poultry.

Total, Bureau of Animal Industry, \$12,688,387, of which amount not to exceed \$645,000 may be expended for departmental personal services in the District of Columbia.

BUREAU OF DAIRY INDUSTRY

Salaries and expenses: For necessary expenses, including not to exceed \$377,400 for personal services in the District of Columbia, of the Bureau of Dairy Industry in carrying out the provisions of the Act of May 29, 1924 (7 U. S. C. 401-404), including investigations, experiments, and demonstrations in dairy industry, cooperative investigations of the dairy industry in the various States, inspection of renovated-butter factories, repairs to buildings, and not to exceed \$5,000 for the construction of buildings, \$764,757.

BUREAU OF PLANT INDUSTRY

SALARIES AND EXPENSES

For the investigation of fruits, fruit trees, grain, cotton, tobacco, vegetables, grasses, forage, drug, medicinal, poisonous, fiber, and other plants and plant industries, and of soils and soil-plant relationships, in cooperation with other branches of the Department, the State experiment stations, and practical farmers; for the erection of necessary farm buildings: *Provided*, That the cost of any building erected, except head houses connecting greenhouses, shall not exceed \$2,500; and for the employment of persons and means in the city of Washington and elsewhere required for the investigations, experiments, and demonstrations herein authorized, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$213,710.

Arlington Farm: For continuing the maintenance of a general experiment farm and agricultural station on the Arlington estate, in the State of Virginia and in the vicinity of Beltsville, Maryland, in accordance with the provisions of the Act of Congress approved April 18, 1900 (31 Stat. 135, 136), as amended by the Act of October 9, 1940 (54 Stat. 1030-1057), \$51,109.

Cereal crops and diseases: For the investigation and improvement of cereals, including corn, and methods of cereal production and for the study and control of cereal diseases, for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, for the investigation and improvement of broomcorn and methods of broomcorn production, and for determining the distribution of weeds and means for their control, \$579,895, of which \$25,000 shall be available for investigations concerning the control and eradication of whitetop, bindweed, and other noxious weeds.

Cotton and other fiber crops and diseases: For investigation of the production of cotton and other fiber crops, including the improvement by cultural methods, breeding, and selection, fiber yield and quality, cotton soil-fertility, and the control of diseases, \$448,355, of which sum not less than \$14,700 shall be used for experimenting in Sea Island cotton, including its hybridization with other varieties.

Drug and related plants: For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related products and byproducts, \$65,890.

Dry-land agriculture: For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, \$230,788: *Provided*, That no part of this appropriation shall be used for the establishment of any new field station.

Forage crops and diseases: For the investigation and improvement of forage crops, including grasses, alfalfas, clovers, soybeans, lespedezas, vetches, cowpeas, field peas, and miscellaneous legumes; for the investigation of green-manure crops and cover crops; for investigations looking to the improvement of pastures; and for the investigation of forage-crop diseases and methods of control, \$358,500.

Forest pathology: For the investigation of diseases of forest and shade trees and forest products, including a study of the nature and

habits of the parasitic fungi, bacteria, viruses, and other causes of such diseases, for the purpose of developing methods of control and eradication and determining their application, \$258,460.

Fruit and vegetable crops and diseases: For investigation and control of diseases, for improvement of methods of culture, propagation, breeding, selection, and related activities concerned with the production of fruits, nuts, vegetables, ornamentals, and related plants, for investigation of methods of harvesting, packing, shipping, storing and utilizing these products, and for studies of the physiological and related changes of such products during processes of marketing and while in commercial storage, \$1,444,439.

Irrigation agriculture: For investigations of crop production on irrigable lands, the quality of irrigation water and its use by crops, and methods for improving and maintaining the productivity of irrigated soils, \$142,220.

National Arboretum: For the maintenance and development of the National Arboretum established under the provisions of the Act entitled "An Act authorizing the Secretary of Agriculture to establish a National Arboretum, and for other purposes", approved March 4, 1927 (20 U. S. C. 191-194), erection of buildings, employment of persons and means in the city of Washington and elsewhere, and travel expenses of employees and advisory council, \$54,892, of which such amounts as may be necessary may be expended by contract or otherwise for the services of consulting landscape architects without reference to the Classification Act of 1923, as amended, or civil-service rules.

Plant exploration, introduction, and surveys: For investigations in seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and also wild native plants, for experiments with reference to their introduction and cultivation in this country, for plant-disease investigations, including nematology, and for plant and plant-disease collections and surveys, \$301,403.

Soil and fertilizer investigations: For soil and fertilizer investigations, including soil minerals, soil organic matter, soil solution, soil physical and chemical investigations, soil microbiology, including the testing of cultures procured in the open market for inoculating legumes, other crops, or soil, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale; for investigations of the causes of soil infertility and the maintenance of soil productivity; and for investigations within the United States of fertilizers, fertilizer ingredients, including phosphoric acid and potash, and other soil amendments, and their suitability for agricultural use, \$338,931.

Soil survey: For the investigation of soils and their origin, for survey of the extent of classes and types, and for indicating upon maps and plats, by coloring or otherwise, the results of such investigations and surveys, \$205,430.

Sugar-plant investigations: For sugar-plant investigations, including studies of diseases and the improvement of sugar beets and sugar-beet seed, sugarcane, and other sugar-producing plants, cultural and

production methods, and the improvement and maintenance of soil fertility in relation to sugar plants, \$371,225.

Tobacco investigations: For the investigation and improvement of tobacco and the methods of tobacco production and handling, \$126,950.

Total, salaries and expenses, Bureau of Plant Industry, \$5,192,197, of which amount not to exceed \$1,133,110 may be expended for departmental personal services in the District of Columbia.

FOREST SERVICE

SALARIES AND EXPENSES

For the employment of persons and means in the District of Columbia and elsewhere to enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: *Provided*, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water-supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed \$7,500, with the exception that any building erected, purchased, or acquired, the cost of which was \$7,500 or more, may be improved out of the appropriations made under this Act for the Forest Service by an amount not to exceed 2 per centum of the cost of such building as certified by the Secretary of Agriculture; to protect, administer, and improve the national forests, including tree planting and other measures to prevent erosion, drift, surface wash, soil waste, and the formation of floods, and to conserve water and including the payment of rewards under regulations of the Secretary of Agriculture for information leading to the arrest and conviction for violation of the laws and regulations relating to fires in or near national forests, or for the unlawful taking of, or injury to, Government property; to ascertain the natural conditions upon and utilize the national forests, to transport and care for fish and game supplied to stock the national forests or the waters therein; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase lawbooks, reference and technical books, and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service: *Provided further*, That the appropriations for the work of the Forest Service shall be available for meeting the expenses of warehouse maintenance and the procurement, care, and handling of supplies, equipment, and materials stored therein for distribution to projects under the supervision of the Forest Service and for sale and dis-

tribution to other Government activities and to State and private agencies who cooperate with the Forest Service in fire control under terms of written cooperative agreements, the cost of such supplies, equipment, and materials, including the cost of supervision, transportation, warehousing, and handling, to be reimbursed to appropriations current at the time additional supplies and materials are procured for warehouse stocks: *Provided further*, That the appropriations for the work of the Forest Service available for the operation, repair, maintenance, and replacement of motor and other equipment may be reimbursed for use of such equipment on projects of the Forest Service chargeable to other appropriations, or on work of other Federal agencies, when requested by such agencies, reimbursement to be made from appropriations applicable to the work on which used at rental rates fixed by the Chief Forester based on the actual or estimated cost of operation, repair, maintenance, depreciation, and equipment management control, and credited to appropriations currently available at the time adjustment is effected: *Provided further*, That the Forest Service may rent equipment for fire-control purposes to State, county, private, or other non-Federal agencies cooperating with the Forest Service in fire control under the terms of written cooperative agreements, the amount collected for such rental to be credited to appropriations currently available at the time payment is received, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief Forester, for the necessary expenses of the National Forest Reservation Commission as authorized by section 14 of the Act of March 1, 1911 (16 U. S. C. 514), and for other personal services in the District of Columbia, \$573,000.

National forest protection and management: For the administration, protection, use, maintenance, improvement, and development of the national forests, including the establishment and maintenance of forest tree nurseries, including the procurement of tree seed and nursery stock by purchase, production, or otherwise, seeding and tree planting and the care of plantations and young growth; the maintenance and operation of aerial fire control by contract or otherwise; the maintenance of roads and trails and the construction and maintenance of all other improvements necessary for the proper and economical administration, protection, development, and use of the national forests, including experimental areas under Forest Service administration: *Provided*, That where, in the opinion of the Secretary of Agriculture, direct purchases will be more economical than construction, improvements may be purchased; the construction, equipment, and maintenance of sanitary, fire preventative, and recreational facilities; control of destructive forest tree diseases and insects; timber cultural operations; development and application of fish and game management plans; propagation and transplanting of plants suitable for planting on semiarid portions of the national forests; estimating and appraising of timber and other resources and development and application of plans for their effective management, sale, and use; acceptance of moneys from timber purchasers for deposit into the Treasury in the trust account, Forest Service Cooperative Fund, which moneys are hereby appropriated and made available

until expended for scaling services requested by purchasers in addition to those required by the Forest Service, and for refunds of amounts deposited in excess of the cost of such work; examination, classification, surveying, and appraisal of land incident to effecting exchanges authorized by law and of lands within the boundaries of the national forests that may be opened to homestead settlement and entry under the Act of June 11, 1906, and the Act of August 10, 1912 (16 U. S. C. 506-509), as provided by the Act of March 4, 1913 (16 U. S. C. 512); and all expenses necessary for the use, maintenance, improvement, protection, and general administration of the national forests, including lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted under the Act of March 1, 1911 (16 U. S. C. 521), and the Act of June 7, 1924 (16 U. S. C. 471, 499, 505, 564-570), lands transferred by authority of the Secretary of Agriculture from the Resettlement Administration to the Forest Service, and lands transferred to the Forest Service under authority of the Bankhead-Jones Farm Tenant Act, \$12,766,446: *Provided*, That this appropriation shall be available for the expenses of properly caring for the graves of persons who have lost their lives as a result of fighting fires while employed by the Forest Service: *Provided further*, That in sales of logs, ties, poles, posts, cordwood, pulpwood, and other forest products the amounts made available for schools and roads by the Act of May 23, 1908 (16 U. S. C. 500), and the Act of March 4, 1913 (16 U. S. C. 501), shall be based upon the stumpage value of the timber.

Water rights: For the investigation and establishment of water rights, including the purchase thereof or of lands or interests in lands or rights-of-way for use and protection of water rights necessary or beneficial in connection with the administration and public use of the national forests, \$10,000.

Fighting forest fires: For fighting and preventing forest fires on or threatening lands under Forest Service administration, including lands under contract for purchase or in process of condemnation for Forest Service purposes, and unappropriated public forest lands, \$100,000, which amount shall also be available for meeting obligations of the preceding fiscal year.

Private forestry cooperation: For cooperation with and advice to timberland owners and associations, wood-using industries or other appropriate agencies in the application of forest management principles to federally owned lands leased to States and to private forest lands, so as to attain sustained-yield management, the conservation of the timber resource, the productivity of forest lands, and the stabilization of employment and economic continuance of forest industries, \$114,000.

Forest research: For forest research in accordance with the provisions of sections 1, 2, 7, 8, 9, and 10 of the Act entitled "An Act to insure adequate supplies of timber and other forest products for the people of the United States, to promote the full use for timber growing and other purposes of forest lands in the United States, including farm wood lots and those abandoned areas not suitable for agricultural production, and to secure the correlation and the most economical conduct of forest research in the Department of Agriculture through research in reforestation, timber growing, protection,

utilization, forest economics, and related subjects", approved May 22, 1928, as amended (16 U. S. C. 581, 581a, 581f-581i), as follows:

Forest management: Fire, silvicultural, and other forest investigations and experiments under said section 2, as amended, at forest experiment stations or elsewhere, \$556,500.

Range investigations: Investigations and experiments to develop improved methods of management of forest and other ranges under section 7, at forest or range experiment stations or elsewhere, \$255,500.

Forest products: Experiments, investigations, and tests of forest products under section 8, at the Forest Products Laboratory, or elsewhere, \$1,000,000.

Forest survey: A comprehensive forest survey under section 9, \$202,629.

Forest economics: Investigations in forest economics under section 10, \$119,000.

Forest influences: For investigations and experiments at forest experiment stations or elsewhere for determining and demonstrating the influence of natural vegetative cover characteristic of forest, range, or other wild land on water conservation, flood control, stream-flow regulation, erosion, climate, and maintenance of soil productivity, and for developing preventive and control measures therefor, \$133,000.

In all, salaries and expenses, \$15,830,075; and in addition thereto there are hereby appropriated all moneys received as contributions toward cooperative work under the provisions of section 1 of the Act approved March 3, 1925 (16 U. S. C. 572), which funds shall be covered into the Treasury and constitute a part of the special funds provided by the Act of June 30, 1914 (16 U. S. C. 498): *Provided*, That not to exceed \$886,034 may be expended for departmental personal services in the District of Columbia: *Provided further*, That not to exceed \$1,500 may be expended for the contribution of the United States to the cost of the office of the secretariat of the International Union of Forest Research Stations and of the Department of Timber Utilization of the Comité International du Bois.

FOREST-FIRE COOPERATION

For cooperation with the various States or other appropriate agencies in forest-fire prevention and suppression and the protection of timbered and cut-over lands in accordance with the provisions of sections 1, 2, and 3 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote continuous production of timber on lands chiefly valuable therefor", approved June 7, 1924, as amended (16 U. S. C. 564-570), including also the study of the effect of tax laws and the investigation of timber insurance as provided in section 3 of said Act, \$4,000,000, of which not to exceed \$72,418 and \$2,500 shall be available for personal services and for the purchase of supplies and equipment, respectively, in the District of Columbia.

ACQUISITION OF LANDS FOR NATIONAL FORESTS

For the acquisition of forest lands under the provisions of the Act approved March 1, 1911, as amended (16 U. S. C. 513-519, 521),

\$354,210, of which not to exceed \$50,540 may be expended for personal services in the District of Columbia.

Total, Forest Service, \$20,184,285.

FOREST ROADS AND TRAILS

For carrying out the provisions of section 23 of the Federal Highway Act approved November 9, 1921 (23 U. S. C. 23), and for the construction, reconstruction, and maintenance of roads and trails on experimental areas under Forest Service administration, including not to exceed \$59,500 for personal services in the District of Columbia, \$7,000,000, which sum consists of the balance of the amount authorized to be appropriated for the fiscal year 1941 by the Act approved June 8, 1938 (52 Stat. 635), and parts of the amounts authorized to be appropriated for the fiscal years 1942 and 1943 by the Act approved September 5, 1940 (54 Stat. 867), to be immediately available and to remain available until expended: *Provided*, That this appropriation shall be available for the rental, purchase, or construction of buildings necessary for the storage and repair of equipment and supplies used for road and trail construction and maintenance, but the total cost of any such building purchased or constructed under this authorization shall not exceed \$7,500: *Provided further*, That there shall be available from this appropriation not to exceed \$38,000 for the purchase of land and buildings at Portland, Oregon, for the storage and repair of Government equipment for use in the construction and maintenance of roads.

BUREAU OF AGRICULTURAL CHEMISTRY AND ENGINEERING

SALARIES AND EXPENSES

For investigations, experiments, and demonstrations hereinafter authorized, independently or in cooperation with other branches of the Department of Agriculture, other departments or agencies of the Federal Government, States, State agricultural experiment stations, universities, and other State agencies and institutions, counties, municipalities, business, farm, or other organizations and corporations, individuals, associations, and scientific societies, including the employment of necessary persons and means in the city of Washington and elsewhere; and for erection, alteration, and repair of buildings outside the District of Columbia at a total cost not to exceed \$15,000, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$106,044.

Agricultural chemical investigations: For conducting the investigations contemplated by the Act of May 15, 1862 (5 U. S. C. 511, 512), relating to the application of chemistry to agriculture; for the biological, chemical, physical, microscopical, and technological investigation of foods, feeds, drugs, plant and animal products, and substances used in the manufacture thereof; for investigations of the

physiological effects and for the pharmacological testing of such products and of insecticides; for the investigation and development of methods for the manufacture of sugars, sugar sirups, and starches and the utilization of new agricultural materials for such purposes; for the technological investigation of the utilization of fruits and vegetables and for frozen pack investigations; for the investigation of chemicals for the control of noxious weeds and plants; and to cooperate with associations and scientific societies in the development of methods of analysis, \$349,251.

Agricultural engineering investigations: For investigations, experiments, and demonstrations involving the application of engineering principles to agriculture; for investigating and reporting upon the different kinds of farm power and appliances; upon farm domestic water supply and sewage disposal, upon the design and construction of farm buildings and their appurtenances and of buildings for processing and storing farm products; upon farm power and mechanical farm equipment and rural electrification, upon the engineering problems relating to the processing, transportation, and storage of perishable and other agricultural products; and upon the engineering problems involved in adapting physical characteristics of farm land to the use of modern farm machinery; for investigations of cotton ginning under the Act approved April 19, 1930 (7 U. S. C. 424, 425); for giving expert advise and assistance in agricultural and chemical engineering; for collating, reporting, and illustrating the results of investigations and preparing, publishing, and distributing bulletins, plans, and reports, \$323,733, of which amount not to exceed \$20,000 shall be available for the construction of a water tower fire protection system at the United States Cotton Ginning Laboratory, Stoneville, Mississippi.

Naval-stores investigations: For the investigation of naval stores (turpentine and rosin) and their components; the investigation and experimental demonstration of improved equipment, methods, or processes of preparing naval stores; the weighing, storing, handling, transportation, and utilization of naval stores; and for the assembling and compilation of data on production, distribution, and consumption of turpentine and rosin, pursuant to the Act of August 15, 1935 (5 U. S. C. 556b), \$118,456.

Total, salaries and expenses, Bureau of Agricultural Chemistry and Engineering, \$897,484, of which amount not to exceed \$508,133 may be expended for personal services in the District of Columbia.

BUREAU OF ENTOMOLOGY AND PLANT QUARANTINE

SALARIES AND EXPENSES

For necessary expenses connected with investigations, experiments, and demonstrations for the promotion of economic entomology, for investigating and ascertaining the best means of destroying insects and related pests injurious to agriculture, for investigating and importing useful and beneficial insects and bacterial, fungal, and other diseases of insects and related pests, for investigating and ascertaining the best means of destroying insects affecting man and animals, to enable the Secretary of Agriculture to carry into effect

the provisions of the Plant Quarantine Act of August 20, 1912, as amended (7 U. S. C. 146, 147, 151-167, 281, 282), to conduct other activities hereinafter authorized, and for the eradication, control, and prevention of spread of injurious insects and plant pests, independently or in cooperation with other branches of the Federal Government, States, counties, municipalities, corporations, agencies, individuals, or with foreign governments; including the employment of necessary persons and means in the District of Columbia and elsewhere, rent, construction, or repair of necessary buildings outside the District of Columbia: *Provided*, That, unless otherwise specifically provided, the cost for the construction of any building shall not exceed \$1,500 and the total amount expended for such construction in any one year shall not exceed \$7,000, as follows:

General administrative expenses: For general administrative purposes, including the salary of Chief of Bureau and other personal services, \$160,000.

Fruit insects: For insects affecting fruits, grapes, and nuts, \$408,630.

Japanese beetle control: For the control and prevention of spread of the Japanese beetle, \$382,275: *Provided*, That no part of this appropriation shall be used to pay the cost or value of trees or other property injured or destroyed.

Sweetpotato weevil control: For the determination and application of such methods of control for sweetpotato weevils as, in the judgment of the Secretary of Agriculture, may be necessary, \$71,585: *Provided*, That in the discretion of the Secretary of Agriculture, no part of this appropriation shall be expended for the control of sweetpotato weevil in any State until such State has provided cooperation necessary to accomplish this purpose: *Provided further*, That no part of this appropriation shall be used to pay the cost or value of farm animals, farm crops, or other property injured or destroyed.

CONSERVATION AND USE OF AGRICULTURAL LAND RESOURCES, DEPARTMENT OF AGRICULTURE

To enable the Secretary of Agriculture to carry into effect the provisions of sections 7 to 17, inclusive, of the Soil Conservation and Domestic Allotment Act, approved February 29, 1936, as amended (16 U. S. C. 590g-590q), and the provisions of the Agricultural Adjustment Act of 1938, as amended (7 U. S. C. 1281-1407) (except the making of payments pursuant to sections 303 and 381 and the provisions of titles IV and V), including the employment of persons

and means in the District of Columbia and elsewhere; not to exceed \$50,000 for the preparation and display of exhibits, including such displays at State, interstate, and international fairs within the United States; purchase of lawbooks, books of reference, periodicals, newspapers, \$450,000,000, to remain available until June 30, 1944, for compliances under said Act of February 29, 1936, as amended, pursuant to the provisions of the 1942 programs carried out during the period July 1, 1941, to December 31, 1942, inclusive: *Provided*, That no part of such amount shall be available for carrying out the provisions of section 202 (f) of the Agricultural Adjustment Act of 1938, and not to exceed \$4,000,000 shall be available under the provisions of section 202 (a) to 202 (e), inclusive, of said Act, including research on food products of farm commodities: *Provided further*, That no part of such amounts shall be available after June 30, 1943, for salaries and other administrative expenses except for payment of obligations therefor incurred prior to July 1, 1943: *Provided further*, That such amount shall be available for salaries and other administrative expenses in connection with the formulation and administration of the 1943 programs or plans now or hereafter authorized under section 7 or 8, or both, of said Act of February 29, 1936, or under said provisions of the Agricultural Adjustment Act of 1938: *Provided further*, That the Secretary of Agriculture may, in his discretion, from time to time transfer to the General Accounting Office such sums as may be necessary to pay administrative expenses of the General Accounting Office in auditing payments under this item: *Provided further*, That such amount shall be available for the purchase of seeds, fertilizers, lime, trees, or any other farming materials, or any soil terracing services, and making grants thereof to agricultural producers to aid them in carrying out farming practices approved by the Secretary of Agriculture in the 1942, 1943, and 1944 programs under said Act of February 29, 1936, as amended, and likewise the amount appropriated under this head for the fiscal year 1942 shall be available for such purchases for such grants in the 1941, 1942, and 1943 programs under such Act; for the reimbursement of any Federal, State, or local government agency for fertilizers, seeds, lime, trees, or other farming materials, or any soil terracing services, furnished by such agency; and for the payment of all expenses necessary in making such grants including all or part of the costs incident to the delivery thereof: *Provided further*, That beginning with the fiscal year 1942, each appropriation to enable the Secretary of Agriculture to carry into effect any program administered through the Agricultural Adjustment Administration may, in the discretion of the Secretary, be reimbursed out of the then current appropriation for the agency affected, for a fair share of the administrative expense, as estimated periodically or in advance by the Agricultural Adjustment Administration of maintaining registers of indebtedness and making, out of such Agricultural Adjustment Administration appropriation, set-offs under the order entered by the Secretary on May 8, 1937, as heretofore or hereafter amended, in favor of any other agency of the Government: *Provided further*, That notwithstanding any other provision of law, persons who in 1942 carry out farming operations as tenants or sharecroppers on cropland owned by the United States Government and who comply with the terms and conditions of the

1942 agricultural conservation program, formulated pursuant to sections 7 to 17, inclusive, of the Soil Conservation and Domestic Allotment Act, as amended, shall be entitled to apply for and receive payments, or to retain payments heretofore made, for their participation in said program to the same extent as other producers.

PARITY PAYMENTS

To enable the Secretary of Agriculture to make parity payments to producers of wheat, cotton, corn (in the commercial corn-producing area), rice, and tobacco pursuant to the provisions of section 303 of the Agricultural Adjustment Act of 1938, there are hereby reappropriated the unobligated balances of the appropriations made under this head by the Department of Agriculture Appropriation Acts for the fiscal years 1941 and 1942, to remain available until June 30, 1945, and the Secretary is authorized and directed to make such additional commitments or incur such additional obligations as may be necessary in order to provide for full parity payments for the crop year 1942: *Provided*, That of the amounts hereby made available, not to exceed \$5,000,000 may be expended for administrative expenses in the District of Columbia (including personal services) and in the several States (exclusive of expenses of county and local committees), including such part of the total expenses of making acreage allotments, establishing normal yields, checking performance, and related activities in connection with wheat, cotton, corn, rice, and tobacco under the authorized farm program as the Secretary finds necessary to supplement the amount provided for in section 392 of the Agricultural Adjustment Act of 1938, as amended: *Provided further*, That such payments with respect to any such commodity shall be made with respect to a farm in full amount only in the event that the acreage planted to the commodity for harvest on the farm in 1943 is not in excess of the farm acreage allotment established for the commodity under the agricultural conservation program, and, if such allotment has been exceeded, the parity payment with respect to the commodity shall be reduced by not more than 10 per centum for each 1 per centum, or fraction thereof, by which the acreage planted to the commodity is in excess of such allotment. The Secretary may also provide by regulations for similar deductions for planting in excess of the acreage allotment for the commodity on other farms or for planting in excess of the acreage allotment or limit for any other commodity for which allotments or limits are established under the agricultural conservation program on the same or any other farm.

If the sum of the prevailing basic loan rate (if marketing quotas for the commodity have been disapproved, such basic loan rate shall be the basic loan rate which would have prevailed except for such disapproval) or the average farm price, whichever is the higher, for the crop year 1942 and the applicable rate of the payments under the Soil Conservation and Domestic Allotment Act, for the purposes of the 1942 agricultural conservation program and the parity payments herein provided, exceed an amount sufficient to increase the farmers' returns to parity prices, parity payments shall be so adjusted as to provide a return to producers which is equal to but not greater than parity price.

COMMODITY CREDIT CORPORATION

Salaries and administrative expenses: Not to exceed \$3,513,498, of the funds of the Commodity Credit Corporation shall be available for administrative expenses of the Corporation in carrying out its activities as authorized by law, including personal services in the District of Columbia and elsewhere; travel expenses, in accordance with the Standardized Government Travel Regulations and the Act of June 3, 1926, as amended (5 U. S. C. 821-833); printing and binding; lawbooks and books of reference; not to exceed \$400 for periodicals, maps, and newspapers; procurement of supplies, equipment, and services; typewriters, adding machines, and other labor-saving devices, including their repair and exchange; rent in the District of Columbia and elsewhere; and all other necessary administrative expenses: *Provided*, That all necessary expenses (including legal and special services performed on a contract or fee basis, but not including other personal services) in connection with the acquisition, operation, maintenance, improvement, or disposition of any real or personal property belonging to the Corporation or in which it has an interest, including expenses of collections of pledged collateral, shall be considered as nonadministrative expenses for the purposes hereof: *Provided further*, That none of the fund made available by this paragraph shall be obligated or expended unless and until an appropriate appropriation account shall have been established therefor pursuant to an appropriation warrant or a covering warrant, and all such expenditures shall be accounted for and audited in accordance with the Budget and Accounting Act of 1921, as amended: *Provided further*, That none of the fund made available by this paragraph shall be used for administrative expenses connected with the sale of Government-owned or Government-controlled stocks of farm commodities at less than parity price as defined by the Agricultural Adjustment Act of 1938: *Provided further*, That the foregoing proviso shall not apply to the sale or other disposition of any agricultural commodity to or by the Agricultural Marketing Administration for distribution exclusively for relief purposes, nor to grain which has substantially deteriorated in quality or is sold for the purpose of feeding or the manufacture of ethyl alcohol, butyl alcohol, acetone, or rubber, or commodities sold to farmers for seed, and sales of cotton required in connection with the present new uses program being carried on by the Department of Agriculture: *Provided further*, That not more than one hundred and twenty-five million bushels of wheat may be sold for feeding purposes: *Provided further*, That no grain shall be sold for feed at a price less than 85 per centum of the parity price of corn at the time such sale is made.

EXPORTATION AND DOMESTIC CONSUMPTION OF
AGRICULTURAL COMMODITIES

To enable the Secretary of Agriculture to further carry out the provisions of section 32, as amended, of the Act entitled "An Act to amend the Agricultural Adjustment Act, and for other purposes", approved August 24, 1935, and subject to all provisions of law relat-

ing to the expenditure of funds appropriated by such section, there is hereby reappropriated for the fiscal year 1943 the unobligated balances of the funds made available for the purposes of such section 32 for the fiscal years 1941 and 1942. Such sums shall be in addition to, and not in substitution for, other appropriations made by such section or for the purposes of such section.

SUGAR ACT OF 1937

To enable the Secretary of Agriculture to carry into effect the provisions, other than those specifically relating to the Philippine Islands, of the Sugar Act of 1937, approved September 1, 1937, as amended (7 U. S. C. 1100-1183), including the employment of persons and means, in the District of Columbia and elsewhere, as authorized by said Act, \$47,462,910, to remain available until June 30, 1944.

INTERNATIONAL PRODUCTION CONTROL COMMITTEES

During the fiscal year 1943 the Secretary of Agriculture may expend not to exceed \$17,500 from the funds available to the Agricultural Adjustment Administration for the share of the United States as a member of the International Wheat Advisory Committee, the International Sugar Council, or like events or bodies concerned with the reduction of agricultural surpluses or with other objectives of the Agricultural Adjustment Administration, together with traveling and other necessary expenses relating thereto.

FEDERAL CROP INSURANCE ACT

Administrative and operating expenses: For operating and administrative expenses under the Federal Crop Insurance Act, approved February 16, 1938, as amended (7 U. S. C. 1501-1518 and 55 Stat. 255-256), \$8,572,954, including the employment of persons and means in the District of Columbia and elsewhere, printing and binding, purchase of lawbooks, books of reference, periodicals, and newspapers.

FARM TENANT ACT

FARM TENANCY

To enable the Secretary of Agriculture to carry into effect the provisions of title I of the Bankhead-Jones Farm Tenant Act, approved July 22, 1937 (7 U. S. C. 1000-1006), as follows:

Salaries and expenses: For necessary expenses in connection with the making of loans under title I of the Bankhead-Jones Farm Tenant Act, approved July 22, 1937 (7 U. S. C. 1000-1006), and the collection of moneys due the United States on account of loans heretofore made under the provisions of said Act, including the employment of persons and means in the District of Columbia and elsewhere, exclusive of printing and binding as authorized by said Act, \$1,625,000.

Loans: For loans in accordance with title I of the Bankhead-Jones Farm Tenant Act, approved July 22, 1937 (7 U. S. C. 1000-1006),

\$32,500,000, which sum shall be borrowed from the Reconstruction Finance Corporation at an interest rate of 3 per centum per annum and which sum shall not be used for making loans under the terms of said Act for the purchase of farms of greater value than the average farm unit of thirty acres and more in the county, parish, or locality in which such purchase may be made, which value shall be determined solely according to statistics of the farm census of 1940; and the Reconstruction Finance Corporation is hereby authorized and directed to lend such sum to the Secretary of Agriculture upon the security of any obligations of borrowers from the Secretary under the provisions of title I of the Bankhead-Jones Farm Tenant Act approved July 22, 1937 (7 U. S. C. 1000-1006): *Provided*, That the amount loaned by the Reconstruction Finance Corporation shall not exceed 85 per centum of the principal amount outstanding of the obligations constituting the security therefor: *Provided further*, That the Secretary may utilize proceeds from payments of principal and interest on any loans made under such title I to repay the Reconstruction Finance Corporation the amount borrowed therefrom under the authority of this paragraph: *Provided further*, That the amount of notes, bonds, debentures, and other such obligations which the Reconstruction Finance Corporation is authorized and empowered to issue and to have outstanding at any one time under existing law is hereby increased by an amount sufficient to carry out the provisions hereof.

LIQUIDATION AND MANAGEMENT OF RESETTLEMENT PROJECTS

To enable the Secretary of Agriculture to carry out the provisions of section 43 of title IV of the Bankhead-Jones Farm Tenant Act, approved July 22, 1937 (7 U. S. C. 1014-1029), including the employment of persons and means, in the District of Columbia and elsewhere, exclusive of printing and binding, as authorized by said Act, \$500,000.

LAND UTILIZATION AND RETIREMENT OF SUBMARGINAL LAND

To enable the Secretary of Agriculture to carry out the provisions of title III of the Bankhead-Jones Farm Tenant Act, approved July 22, 1937 (7 U. S. C. 1010-1013), including the employment of persons and means in the District of Columbia and elsewhere, \$1,591,182.

Total, Farm Tenant Act, \$3,716,182.

LOANS, GRANTS, AND RURAL REHABILITATION

To enable the Secretary of Agriculture to continue to provide assistance through rural rehabilitation and grants to needy farmers in the United States, its Territories and possessions, including (1) farm debt adjustment service, and making and servicing of loans and grants under this and prior law; (2) loans; (3) grants; (4) the prosecution of Federal rural rehabilitation projects under the supervision of the Farm Security Administration on July 1, 1941; (5) projects involving provision of water facilities; and (6) not exceeding \$1,400,000 for operation and maintenance of existing migratory labor camps; \$37,819,557, together with not to exceed

\$5,000,000 of the unobligated balance of the appropriation made under this head for the fiscal year 1942, which sum shall be also available for necessary administrative expenses incident to the foregoing, including personal services in the District of Columbia and elsewhere; compensation of experts (including the Administrator and not to exceed three Assistant Administrators of the Farm Security Administration) without regard to the Classification Act of 1923, as amended; purchase of lawbooks, books of reference, periodicals, and newspapers; purchase, operation, maintenance, and exchange at the seat of government and elsewhere, of motor-propelled passenger-carrying vehicles; and printing and binding.

In making any grant payments under this Act, the Secretary of Agriculture is authorized to require with respect to such payments the performance of work on useful public projects, Federal and non-Federal, including work on private or public land in furtherance of the conservation of natural resources, and the provisions of the Act of February 15, 1934 (48 Stat. 351), as amended, relating to disability or death compensation, and benefits shall apply to those persons performing such work: *Provided*, That this section shall not apply to any case coming within the purview of the workmen's compensation law of any State, Territory, or possession, or in which the claimant has received or is entitled to receive similar benefits for injury or death.

For additional funds for the purpose of making rural rehabilitation loans to needy farmers, the Reconstruction Finance Corporation is authorized and directed to make advances to the Secretary of Agriculture upon his request in an aggregate amount of not to exceed \$97,500,000. Such advances shall be made: (1) With interest at the rate of 3 per centum per annum payable semiannually; (2) upon the security of obligations acceptable to the Corporation heretofore or hereafter acquired by the Secretary pursuant to law; (3) in amounts which shall not exceed 75 per centum of the then unpaid principal amount of the obligations securing such advances; and (4) upon such other terms and conditions, and with such maturities, as the Corporation may determine. The Secretary of Agriculture shall pay to the Corporation, currently as received by him, all moneys collected as payments of principal and interest on the loans made from the amounts so advanced or collected upon any obligations held by the Corporation as security for such advances, until such amounts are fully repaid. The amount of notes, debentures, bonds, or other such obligations which the Corporation is authorized and empowered to issue and to have outstanding at any one time under the provisions of law in force on the date this Act takes effect is hereby increased by an amount sufficient to carry out the provisions of this paragraph.

None of the moneys appropriated or otherwise authorized under this caption ("Loans, Grants, and Rural Rehabilitation") shall be used for (1) the purchase of land or for the carrying on of any land-purchase program; (2) for carrying on any experiment in collective farming, except for the liquidation of any such projects heretofore initiated; or (3) for making loans to any individual farmer in excess of \$2,500.

No part of the appropriations contained in the Department of Agriculture Appropriation Act, 1943, under the heading "Loans,

Grants, and Rural Rehabilitation," shall be available to pay the compensation of any person appointed in accordance with the civil-service laws.

WATER FACILITIES, ARID AND SEMIARID AREAS

To enable the Secretary of Agriculture to carry into effect the provisions of the Act entitled "An Act to promote conservation in the arid and semiarid areas of the United States by aiding in the development of facilities for water storage and utilization, and for other purposes", approved August 28, 1937, as amended (16 U. S. C. 590r-590x, 590z-5), including the purchase, exchange, operation, and maintenance of passenger-carrying vehicles, \$202,585, of which not to exceed \$11,000 may be expended for personal services in the District of Columbia.

COOPERATIVE FARM FORESTRY

To enable the Secretary of Agriculture to carry into effect the provisions of the Cooperative Farm Forestry Act, approved May 18, 1937 (16 U. S. C. 568b), (not to exceed \$551,100) and the provisions of sections 4 (not to exceed \$83,700) and 5 (not to exceed \$65,200) of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor", approved June 7, 1924 (16 U. S. C. 567-568), and Acts supplementary thereto, including the employment of persons and means in the District of Columbia and elsewhere; the purchase of reference books and technical journals; not to exceed \$30,000 for the construction or purchase of necessary buildings, and other improvements; in all, not to exceed \$700,000: *Provided*, That no part of this appropriation shall be expended in any State or Territory unless the State or Territory, or local subdivision thereof, or individuals, or associations contribute a sum equal to that to be allotted therefrom by the Government or make contributions other than money deemed by the Secretary of Agriculture to be the value equivalent thereof: *Provided further*, That any part of this appropriation allocated for the production or procurement of nursery stock by any Federal agency, or funds appropriated to any Federal agency for allocation to cooperating States for the production or procurement of nursery stock, shall remain available for expenditure for not more than three fiscal years: *Provided further*, That in carrying into effect the provisions of the Cooperative Farm Forestry Act, no part of this appropriation shall be used to establish new nurseries or to acquire land for the establishment of such new nurseries.

RURAL ELECTRIFICATION ADMINISTRATION

To enable the Secretary of Agriculture to carry into effect the provisions of the Rural Electrification Act of 1936, approved May 20, 1936, as amended (7 U. S. C. 901-914), as follows:

Salaries and expenses: For administrative expenses and expenses of studies, investigations, publications, and reports including the salary

of the Administrator, Rural Electrification Administration, and other personal services in the District of Columbia and elsewhere; purchase and exchange of books, lawbooks, books of reference, directories, and periodicals; not to exceed \$300 for newspapers; financial and credit reports, \$3,500,000.

Loans: For loans in accordance with sections 3, 4, and 5, and for the purchase of property and costs and expenses incurred in connection therewith in accordance with section 7 of the Rural Electrification Act of May 20, 1936, as amended (7 U. S. C. 901-914), \$10,000,000, which sum shall be borrowed from the Reconstruction Finance Corporation in accordance with the provisions of section 3 (a) of said Act and shall be considered as made available thereunder; and the Reconstruction Finance Corporation is hereby authorized and directed to lend such sum in addition to the amounts heretofore authorized under said section 3 (a) and without regard to the limitation in respect of time contained in section 3 (e) of said Act; and the amount of notes, bonds, debentures, and other such obligations which the Reconstruction Finance Corporation is authorized and empowered to issue and to have outstanding at any one time under existing law is hereby increased by an amount sufficient to carry out the provisions hereof.

Total, Rural Electrification Administration, \$3,500,000.

BELTSVILLE RESEARCH CENTER

For general administrative purposes, including maintenance, operation, construction of necessary buildings at a cost of not to exceed \$7,500 for any one building, repairs, and other expenses, \$105,855; which appropriation may be augmented, by transfer of funds or by reimbursement, from applicable appropriations, to cover the charges, including handling and other related services, for equipment rentals (including depreciation, maintenance, and repairs); for services, supplies, equipment and materials furnished, stores of which may be maintained at the Center, and for building construction, alteration, and repair performed by the Center in carrying out the purposes of such applicable appropriations and the applicable appropriations may also be charged their proportionate share of the necessary general expenses of the Center not covered by this appropriation.

INTERCHANGE OF APPROPRIATIONS

Not to exceed 7 per centum of the foregoing amounts for the miscellaneous expenses of the work of any bureau, division, or office herein provided for shall be available interchangeably for expenditures on the objects included within the general expenses of such bureau, division, or office, but no more than 7 per centum shall be added to any one item of appropriation except in cases of extraordinary emergency.

WORK FOR OTHER DEPARTMENTS

During the fiscal year for which appropriations are herein made the head of any department or independent establishment of the Gov-

ernment requiring inspections, analyses, and tests of food and other products, within the scope of the functions of the Department of Agriculture and which that department is unable to perform within the limits of its appropriations, may, with the approval of the Secretary of Agriculture transfer to the Department of Agriculture for direct expenditure such sums as may be necessary for the performance of such work.

PASSENGER-CARRYING VEHICLES

Within the unit limit of cost fixed by law the lump-sum appropriations herein made for the Department of Agriculture shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of the field work of the Department of Agriculture outside the District of Columbia: *Provided*, That such vehicles shall be used only for official service outside the District of Columbia, but this shall not prevent the continued use for official service of motortrucks in the District of Columbia: *Provided further*, That the limitation on expenditures for purchase of passenger-carrying vehicles in the field service shall be interchangeable between the various bureaus and offices of the Department, to such extent as the exigencies of the service may require: *Provided further*, That appropriations contained in this Act shall be available for the maintenance, operation, and repair of motor-propelled and horse-drawn passenger-carrying vehicles: *Provided further*, That the Secretary of Agriculture may exchange motor-propelled and horse-drawn vehicles, tractors, road equipment, and boats, and parts, accessories, tires, or equipment thereof, in whole or in part payment for vehicles, tractors, road equipment, or boats, or parts, accessories, tires, or equipment of such vehicles, tractors, road equipment, or boats purchased by him: *Provided further*, That the funds available to the Agricultural Adjustment Administration may be used during the fiscal year for which appropriations are herein made for the maintenance, repair, and operation of one passenger-carrying vehicle for official purposes in the District of Columbia.

FARM CREDIT ADMINISTRATION

SALARIES AND EXPENSES

For salaries and expenses of the Farm Credit Administration in the District of Columbia and the field, including printing and binding; travel expenses, including not to exceed \$5,000 for travel incurred under proper authority attending meetings or conventions of members of organizations at which matters of importance to the work of the Farm Credit Administration are to be discussed or transacted; law-books, books of reference, and not to exceed \$1,000 for periodicals, newspapers, and maps; contract stenographic reporting services; library membership fees or dues in organizations which issue publications to members only or to members at a lower price than to others, payment for which may be made in advance; purchase of manuscripts, data, and special reports by personal service without regard to the provisions of any other Act; purchase, exchange, maintenance, repair,

and operation of motor-propelled passenger-carrying vehicles and motortrucks to be used only for official purposes in the District of Columbia and elsewhere; typewriters, adding machines, and other labor-saving devices, including their repair and exchange; garage rental in the District of Columbia and elsewhere; payment of actual transportation expenses and not to exceed \$10 per diem in lieu of subsistence and other expenses of persons serving, while away from their homes, without other compensation from the United States, in an advisory capacity to the Farm Credit Administration; employment of persons, firms, and others for the performance of special services, including legal services; necessary administrative expenses in connection with the making of loans under the provisions of the Act of January 29, 1937 (50 Stat. 5), and the collection of moneys due the United States on account of loans made under the provisions of said Act and similar Acts administered by the Farm Credit Administration relating to loans for crop production, feed, seed, and harvesting; examination of corporations, banks, associations, credit unions, and institutions operated, supervised, or regulated by the Farm Credit Administration: *Provided*, That the expenses and salaries of employees engaged in such examinations shall be assessed against the said corporations, banks, or institutions in accordance with the provisions of existing laws except that the amounts collected from the Federal land banks, joint stock land banks, and Federal intermediate credit banks pursuant to the Act of July 17, 1916, as amended (12 U. S. C. 657) shall be covered into the Treasury and credited to a special fund, and the Administration shall estimate the cost to the Farm Credit Administration of supervising the Federal intermediate credit banks and the production credit corporations for the fiscal year 1943 and shall apportion the amount so determined among such banks and corporations on such equitable basis as said Administration shall determine, and shall assess and collect such amounts in advance from such banks and corporations and the amount so collected shall be covered into the Treasury and credited to said special fund, which fund is hereby made available to said Administration for expenditure for the purposes set forth in this appropriation: *Provided further*, That as soon as practicable after June 30, 1943, said Administration shall determine, on a fair and reasonable basis, (1) the cost of the examination services rendered during the fiscal year 1943 to each Federal land bank, joint stock land bank, and Federal intermediate credit bank and (2) the amount which fairly and equitably should be allocated to each Federal intermediate credit bank and each production credit corporation as the cost during the fiscal year 1943 of supervisory services, and if the sum of these two items in any case is greater than the total amount collected from the bank or the corporation concerned, the difference shall be collected from such bank or corporation or, if less, shall be refunded from said special fund to the bank or the corporation entitled thereto: *Provided further*, That officers and employees who under proper authorization use privately owned automobiles in the performance of official travel within the corporate limits of their official stations for the purpose of examining, supervising, or servicing Federal credit unions located within said corporate limits, may be reimbursed for such travel at a rate not to exceed 3 cents per mile; in all, \$3,168,331, together with not to exceed

\$3,699,303 from the funds made available to the Farm Credit Administration pursuant to the Act of January 29, 1937 (50 Stat. 5).

Farmers' crop production and harvesting loans: For loans to farmers under the Act of January 29, 1937 (50 Stat. 5), as amended by the Acts of February 4, 1938 (52 Stat. 26), June 30, 1939 (53 Stat. 939), June 25, 1940 (54 Stat. 569), and July 1, 1941 (55 Stat. 444), the unobligated balance (exclusive of the amount of such balance made available for "Salaries and expenses, Farm Credit Administration, 1943") of the appropriation "Crop production and harvesting loans" as made in the First Deficiency Appropriation Act, fiscal year 1937 (50 Stat. 8, 11), and as continued available by the Acts of February 4, 1938 (52 Stat. 26), June 30, 1939 (53 Stat. 939), June 25, 1940 (54 Stat. 569), and July 1, 1941 (55 Stat. 444), together with all collections of principal and interest on loans heretofore or hereafter made under said Act of January 29, 1937 (50 Stat. 5): *Provided*, That no employee of the United States on whose certificate or approval loans under said Act of January 29, 1937, as amended, or other Acts of the same general character, are or have been made, shall be held personally liable for any loss or deficiency occasioned by the fraud or misrepresentation of applicants or borrowers, if the Governor of the Farm Credit Administration shall determine that such employee has exercised reasonable care in the circumstances, and has complied with the regulations of the Farm Credit Administration in executing such certificate or giving such approval. Notwithstanding any such determination by the Governor of the Farm Credit Administration, this provision shall not be construed to prevent any criminal process against any person who was a party to or had guilty knowledge of such fraud or misrepresentation.

FEDERAL FARM MORTGAGE CORPORATION

Not to exceed \$9,050,000 of the funds of the Federal Farm Mortgage Corporation, established by the Act of January 31, 1934 (48 Stat. 344), shall be available during the fiscal year 1943 for administrative expenses of the Corporation, including personal services in the District of Columbia and elsewhere; travel expenses of officers and employees of the Corporation, in accordance with the Standardized Government Travel Regulations and the Act of June 3, 1926, as amended (5 U. S. C. 821-833); printing and binding; lawbooks, books of reference, and not to exceed \$250 for periodicals and newspapers; contract stenographic reporting services; procurement of supplies, equipment, and services; purchase (at not to exceed \$750 each), exchange, maintenance, repair, and operation of motor-propelled passenger-carrying vehicles, to be used only for official purposes; typewriters, adding machines, and other labor-saving devices, including their repair and exchange; rent in the District of Columbia and elsewhere; payment of actual transportation expenses and not to exceed \$10 per diem in lieu of subsistence and other expenses of persons serving, while away from their homes, without other compensation from the United States, in an advisory capacity to the Corporation; employment on a contract or fee basis of persons, firms, and corporations for the performance of special services, including legal services; use of the services and facilities of Federal land banks,

national farm loan associations, Federal Reserve banks, and agencies of the Government as authorized by said Act of January 31, 1934; and all other necessary administrative expenses: *Provided*, That all necessary expenses (including services performed on a force account, contract or fee basis, but not including other personal services) in connection with the operation, maintenance, improvement, or disposition of real or personal property of the Corporation shall be considered as nonadministrative expenses for the purposes hereof: *Provided, further*, That except for the limitation in amounts hereinbefore specified, and the restrictions in respect to travel expenses, the administrative expenses and other obligations of the Corporation shall be incurred, allowed, and paid in accordance with the provisions of said Act of January 31, 1934, as amended (12 U. S. C. 1016-1020 (h)).

SEC. 2. No part of any appropriation contained in this Act or authorized hereby to be expended shall be used to pay the compensation of any officer or employee of the Government of the United States, or of any corporation the majority of the stock of which is owned by the Government of the United States, whose post of duty is in the continental United States unless such person is a citizen of the United States: *Provided*, That this section shall not apply to any person in the service of the United States on the date of the approval of this Act who being eligible for citizenship had theretofore filed a declaration of intention to become a citizen or who owes allegiance to the United States: *Provided further*, That this section shall not apply to employment of translators on a temporary basis where competent citizen translators are not available and it shall not apply to the temporary employment of persons in the field service for periods of less than sixty days: *Provided further*, That this section shall not apply to employment by the Rural Electrification Administration of not to exceed twenty junior engineer trainees who are citizens of other American republics. This section shall not apply to citizens of the Commonwealth of the Philippines.

SEC. 3. No part of any appropriation contained in this Act shall be used to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided*, That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided further*, That such administrative or supervisory employees of the Department of Agriculture as may be designated for the purpose by the Secretary of Agriculture are hereby authorized to administer the oaths to persons making affidavits required by this section, and they shall charge no fee for so doing: *Provided further*, That any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment the salary or wages for which are paid from any appropriation contained in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both: *Provided further*, That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of

existing law: *Provided further*, That nothing in this section shall be construed to require an affidavit from any person employed for less than sixty days for sudden emergency work involving the loss of human life or destruction of property, and payment of salary or wages may be made to such persons from applicable appropriations for services rendered in such emergency without execution of the affidavit contemplated by this section.

SEC. 4. Of the total amount available under this Act for traveling expenses, the Secretary of Agriculture is authorized and directed, on or before August 1, 1942, to cover into the surplus fund of the Treasury the sum of \$1,500,000, which shall be in addition to reductions in amounts available for traveling expenses resulting from decreases in the appropriations made by this Act below the Budget estimates.

This Act may be cited as the "Department of Agriculture Appropriation Act, 1943".

Approved, July 22, 1942.
